

July 10, 1942.

Mr. Joshua Lederberg,  
1086 East 180th Street,  
New York,  
New York.

Dear Mr. Lederberg:

I would be glad to have you in my course in 42C. There is nothing I can do, however, about granting you credit for a course in which you have not fulfilled the requirements as far as prerequisites are concerned. Only the Dean of the College can do that, and I suggest that you see him if you have a degree in mind.

Respectfully yours,

Frank H. Stodola  
Instructor in Chemistry

FHS/mjc
